Dear

I write to inform you that the Survey and Behavioural Research Ethics Committee has granted approval in principle for you to conduct the surveys or observation of human behaviour by non-clinical means as declared in the application for the following research:

Kindly be reminded that you should also obtain approval from other research ethics committees within the University (e.g., Clinical Research Ethics Committee, Animal Experimentation Ethics Committee) if any parts of your research do not fall under the scope of our Committee. Thank you for your attention.

Yours Sincerely,

Ms. Eva Yeung  
Secretary of Survey and Behavioural Research Ethics Committee
